Re: Form 1, Statement of Organization

To Whom It May Concern:

Attached please find the Statement of Organization for Navajo Natani, a non-connected political action committee. In accordance with Carey v. FEC, the committee has established two separate bank accounts. First, the committee has created an account from which it intends to make direct contributions to candidates. Contributions to this account will be subject to the prohibitions and limitations of the Federal Election Campaign Act.

This committee also intends to make independent expenditures, and consistent with the U.S. Court of Appeals for the District of Columbia Circuit decision in SpeechNow v. FEC, it therefore intends to raise funds in unlimited amounts for such purposes. This committee will not use those funds to make contributions, whether direct, in-kind, or via coordinated communications, to federal candidates or committees. Furthermore, in accordance with Carey v. FEC, these funds will be segregated in a separate bank account within the committee and will not be comingled with funds raised into the committee's contribution account.

Respectfully submitted,

Cameron Daines  
Treasurer
